Mayor's Welcome

As Mayor,
I would like to welcome you to the City of Guin.

Guin is a city on the move. We are a growing and prosperous community within a short driving time of Birmingham, AL and Memphis, TN. Guin is open for business opportunities in both commercial and industrial activity, and we are optimistic about our future.

People from all parts of our county enjoy the four seasons of the region. Best of all, people enjoy the friendly, down to earth community that exemplifies Guin.

While you are here I hope you will see for yourself the charm and friendliness of the Deep South found in Guin.

I hope you will find this book useful and informative for all your business needs.

Phil Segraves
Mayor
